SAFETY & STRUCTURE

Parents are always responsible for their children's supervision. Museum staff is responsible for the program and overall security and leadership. Security guards and Museum staff will be available to help campers at all times.

(OVER)NIGHT AT THE MUSEUM GEAR

Each participant should bring: a sleeping bag and basic toiletries. You will be sleeping on a cold, HARD floor. You may wish to bring a foam pad or air mattress as well. The temperature in the building is variable and can get hot, so dress in layers: shorts & t-shirt under sweats (which are also great for sleeping). Each member may bring a flashlight but the ADULTS must be responsible for them at bedtime. Please make certain your name is on all of your articles. Pack gear in large, well marked, individualized bags.

(OVER)NIGHT AT THE MUSEUM FOOD

An evening snack of pizza, drinks and chips will be served on Saturday night at ~ 6:30 pm. A night time snack of juice, grapes, cheese, breakfast bars and *Rold* Gold pretzels will be served at ~ 9:40 pm. Breakfast on Sunday will consist of cereal, juice, milk, muffins, donuts and fruit. Special diets are the responsibility of the individual campers.

REFUND & CANCELLATION POLICY

- Refunds are only provided until 10 days prior to the event
- The Buffalo Museum of Science reserves the right to cancel at any time. In the event the Museum cancels the program, a full refund will be issued. **Note:** a minimum of 50 people is required to run the program. If the minimum number of people is not reached, then registrants will be notified of the cancellation 1 week prior to the scheduled event.

PHOTOS & VIDEOS

Please be aware that digital images may be captured during your participation in the program. The images may be used in the Museum's newsletter, website, promotional video or annual report. If you do not wish to be photographed or recorded, please identify yourself to management on the night of the event.
