BUFFALO MUSEUM OF SCIENCE TIFTT NATURE PRESERVE

Inspiring curiosity through exploration.

Program	Date	Fee	Start Time
Webelos Naturalist Pin	Oct. 2	\$10	10am
Webelos Scientist Pin	Oct. 10	\$10	1pm
Webelos Naturalist Pin	Oct. 16	\$10	10am
Webelos Forester Pin	Oct. 24	\$10	1pm
Webelos Forester Pin	Nov. 6	\$10	10am
Webelos Scientist Pin	Nov. 11	\$10	10am
Webelos Naturalist Pin	Nov. 21	\$10	1pm
Webelos Naturalist Pin	Dec. 12	\$10	1pm
Webelos Naturalist Pin	Dec. 18	\$10	10am
Webelos Naturalist Pin	Dec. 29	\$10	10am
Webelos Scientist Pin	Dec. 30	\$10	10am
Cub Scout Weather Belt Loop/Pin	Nov. 28	\$10	1pm
Cub Scout Wildlife Conservation Belt Loop/Pin	Dec. 5	\$10	1pm
Cub Scout Wildlife Conservation Belt Loop/Pin	Dec. 28	\$10	10am
Boy Scout Mammal Study Merit Badge*	Sep. 25	\$12	9am
Boy Scout Nature Merit Badge	Oct. 30	\$12	9am
Boy Scout Indian Lore Merit Badge	Nov. 13	\$12	9am
Boy Scout Weather Merit Badge*	Dec. 4	\$12	9am
Brownie Watching Wildlife Try-It	Oct. 2	\$8	10am
Brownie Eco Explorer & Outdoor Adventure Try-It	Oct. 24	\$8	1pm
Brownie Eco Explorer Try-It	Nov. 20	\$8	10am
Brownie Earth & Sky Try-It	Dec. 12	\$8	1pm
Brownie Earth & Sky Try-It	Jan. 30	\$8	1pm
Junior Wildlife Badge	Oct. 23	\$8	10am
Junior Earth Connections Badge	Nov. 21	\$8	1pm
Junior Eco Action Badge	Dec. 11	\$8	10am
Junior Eco Action Badge	Dec. 27	\$8	10am
Junior Weather Watch Badge	Jan. 22	\$8	10am
Junior Frosty Fun Overnight	Feb. 26-27	\$28/\$10	6pm
Junior Weather Watch Badge	Mar. 5	\$8	10am
Junior Water Wonders Badge	Mar. 6	\$8	1pm
Junior Wildlife Badge	Apr. 23	\$8	10am
Junior Earth Connections Badge	May 7	\$8	10am
Junior Wildlife Badge	May 15	\$8	1pm
Junior & Cadette Ecology 101	Jun. 5	\$10	1pm
Cadette, Senior & Ambassador Eco-Action Interest Project	Apr. 9	\$12	10am
Girl Scouts: All Ages Iroquois Confederacy Badge	Nov. 6	\$8	10am
Girl Scouts: All Ages Iroquois Confederacy Badge	Nov. 7	\$8	1pm
Girl Scouts: All Ages Fishing With a Flair Workshop	Jun. 11	\$10	9am

TIFTT WORKSHOPS

Scout workshops at Tiftt Nature Preserve offer interactive activities in a natural setting. All workshop activities are designed to fulfill badge/pin requirements while providing Scouts with a unique, educational experience.

Registration info can be found on front page.

*Prerequisites required. Visit www.sciencebuff.org for more info.

scout PROGRAMS

BUFFALO MUSEUM OF SCIENCE TIFTT NATURE PRESERVE

Inspiring curiosity through exploration.

Program	Date	Fee	Start Time
Boy Scout Chemistry Merit Badge*	Oct. 23	\$12	10:30am
Boy Scout Fingerprinting Merit Badge	Nov. 20	\$12	10:30am
Boy Scout Space Exploration Merit Badge*	Nov. 27	\$12	10:30am
Boy Scout Astronomy Merit Badge*	Dec. 11	\$15/\$5	1pm
Brownie Science In Action Workshop	Jan. 22	\$11	10am or 2pm
Junior Science Sleuth Workshop	Jan. 29	\$11	10am or 2pm
Junior & Cadette Chemical Concoctions	Nov. 14	\$12	12pm
Cadette & Senior Space Exploration: Out of Sight!	Oct. 23	\$12	10am
Cadette & Senior Museum Discovery Interest Project Workshop	Nov. 11	\$17	10am
Cadette & Senior Museum Discovery Interest Project Workshop	Feb. 23	\$17	10am
Junior Forensics at the Girl Scouts of WNY Jamestown Office	Apr. 19	\$12	10am

*Prerequisites required. Visit www.sciencebuff.org for more info.

Visit www.sciencebuff.org for workshop descriptions & fees.

To register for Boy or Cub Scout programs, call the Greater Niagara Frontier Boy Scout Council 716.891.4073.

Prerequisites due 1 week prior to session to mhughes@sciencebuff.org.

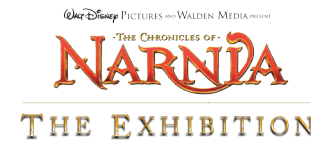

To register for Girl Scout programs, call the Girl Scout Council at 888.837.6410.

BUFFALO MUSEUM OF SCIENCE SPECIAL EXHIBITS 2010-11

Bring your Scout troop to these exciting exhibits! Groups of 10 or more are eligible for discounted rates if scheduled in advance at 716.896.5200 x338.

OCT. 23 - JAN. 9
Explore how things move by land, sea, and air. This exhibit makes learning about gravity, friction, and the laws of motion fun!

FEB. 5 - MAY 8
Step through the wardrobe and discover the science and wonder of *The Chronicles of Narnia: The Exhibition*.

© DISNEY/WALDEN. THE CHRONICLES OF NARNIA, NARNIA, and all book titles, characters and locales original thereto are trademarks and are used with permission.

JUN. 4 - AUG. 28
Experience the genius of Leonardo da Vinci through forty machines based on his visionary designs and compare Leonardo's designs with today's innovations.

BMS WORKSHOPS

Scout workshops at the Buffalo Museum of Science offer hands-on activities and themed educational programs. All workshop activities are designed to fulfill badge/pin requirements while providing Scouts with a unique experience.

(Tiftt workshops on back page)

scout PROGRAMS

Inspiring curiosity through exploration.

January 8-9

Brownie Movers Camp-In

Spend the night at the Museum and earn the Movers Try-It while learning how air affects pinwheels, paper copters, ring gliders, windsocks and rockets.

February 5-6

Brownie & Junior FETCH Science Camp-In

If you like to solve brain-teasers, you'll love Fetch Science. Join our team and use your problem-solving and teamwork skills to solve science challenges that are showcased in the Fetch television series. Some of the activities cover one requirement each for the Brownie Animals, Senses, My Body, Building Art and Science Wonders Try-Its and Junior Science Sleuth, Making it Matter and Wildlife Badges.

March 5-6

Junior Science Discovery Camp-In

Spend the night at the Museum and earn the Science Discovery Badge by experimenting with chemical reactions, friction and the properties of water. You'll also learn about mammals, rocks and optical illusions.

April 2-3

Brownie & Junior Crime Investigation Camp-In

Spend the night at the Museum and help investigate a mystery while gaining an understanding of how police officers and scientists solve crimes. Activities include: learning how to identify and lift fingerprints, understanding how the makeup of a marker's color can help identify which marker a suspect used to write a note, and learning that a person's foot length is related to their height.

May 14-15

Brownie Space Explorer Camp-In

Spend the night at the Museum and earn the Space Explorer Try-It while learning about the phases of the moon, constellations and shadows.

May 21-22

Junior Sky Search Camp-In

Spend the night at the Museum and explore the night sky by visiting our blow-up planetarium to learn how to use a star map to identify some common constellations and planets.

GIRL SCOUT CAMP-INS

Bring your group of Girl Scouts for an overnight CAMP-IN and explore and experience the Museum at night!

Time

5:30 pm – 9:30 am

Fee

\$30/child, \$16/adult
*includes a night time snack,
crafts, video and breakfast*

Registration

Pre-registration required.
Call the Girl Scout Council
at 888.837.6410

Science Magic: Ages 6-12

November 13-14, 2010

December 11-12, 2010

March 26-27, 2011

What do air, paper and people have in common? They are all things you can use to do fun and magical science that will amaze your friends! Imagine lifting someone into the air using your breath or making a paper hole big enough for you to fit your body through.

FETCH Science: Ages 6-12

December 4-5, 2010

March 19-20, 2011

If you like to solve brain-teasers, you'll love Fetch Science! You'll team up to exercise your problem-solving skills to solve science challenges including:

- Creating a gooey solid by combining different liquids
- Balancing a see-saw using basic physics
- Designing a tinfoil boat and testing how many pennies it can hold without sinking

Crime Investigation: Ages 7-12

November 20-21, 2010

March 12-13, 2011

May 7-8, 2011

Spend the night at the Museum and help investigate a mystery while gaining an understanding of how police officers and scientists solve crimes. Activities include: learning how to identify and lift fingerprints, understanding how the makeup of a marker's color can help identify which marker a suspect used to write a note, and learning that a person's foot length is related to their height.

Brownie & Junior Music Music! Camp-In: Ages 7-11

April 30 - May 11

Matt James (of Cool Music for KIDS) and friends present a program designed to satisfy requirements for FOUR Brownie and Junior Girl Scout Badges - Making Music (Junior Badge and Brownie Try-It), Music Fan (Junior Badge) and Sounds of Music (Brownies Try-It). Your scouts will listen to music, dance to music, and play music! Activities include writing a song, learning to conduct, playing homemade instruments, studying instrument groups and more!

PLEASE NOTE: \$32 per child, \$13 per adult. Boys may also attend.

SCOUT OVERNIGHTS

Here are CAMP-INS that both Girl and Boy Scouts can enjoy at the museum!

Time

5:30 pm – 9:30 am

Fee

\$27/child, \$13/adult
unless otherwise noted
*Includes a night time snack,
crafts, video and breakfast.*

Registration

Pre-registration required.
