Science in the City (SITC) is the umbrella for all of the local community efforts at the Buffalo Museum of Science. SITC offers science enrichment programs to youth in community centers throughout the city of Buffalo. SITC partners will receive weekly 1-hour science based lessons and activities. Please return completed application 4 weeks prior to desired program start date to:

Monika L. McFoy, Community Programs Director
1020 Humboldt Parkway
Buffalo, New York 14211

*** There is a \$150 fee for 6 weeks of summer programming. Outreach programs begin during the week of July 9, 2007.**
