

2023 CORPORATE MEMBERSHIP PROGRAM

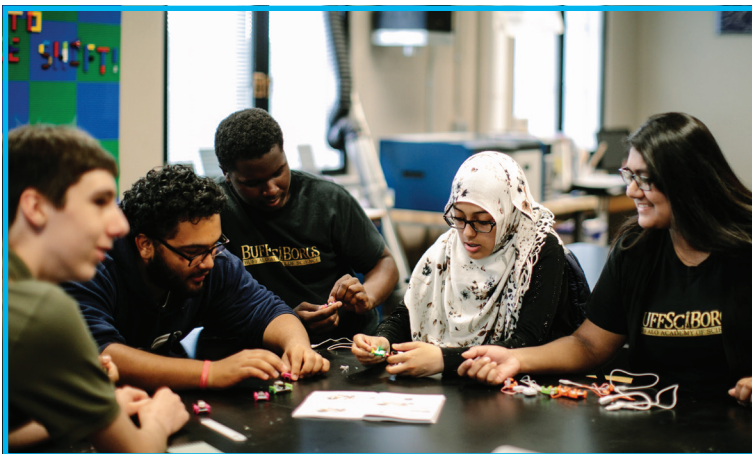

THE POWER OF CORPORATE MEMBERSHIP

Support diverse work – and wonders – at the Buffalo Museum of Science and Tifft Nature Preserve.

Your year-long corporate membership grows the Buffalo Museum of Science and Tifft Nature Preserve's capacity to inspire joyful exploration of science and nature, a relationship we will celebrate with a suite of benefits for your company.

Membership directs your philanthropy to the most critical and immediate needs of the Museum and Tifft, empowering us to respond to evolving challenges while we keep our mission first.

Your gift doesn't support just one initiative — it supports everything we do!

OUR IMPACT

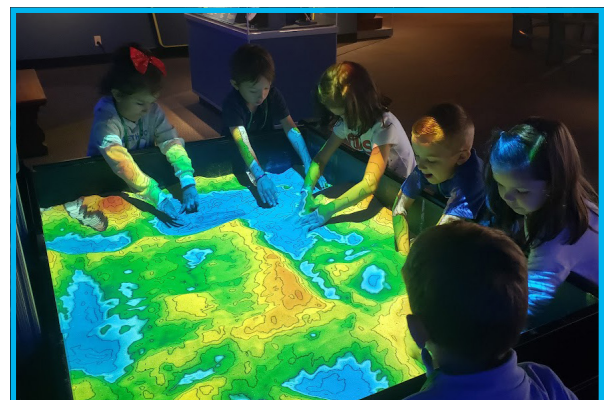

Science creates opportunities and shapes our world. Guided by this belief and 160+ of experience in research and education, we raise the level of science literacy and engagement for all in our community.

We prioritize:

- Increasing access to STEM
- Advancing our region's STEM workforce
- Fortifying our region's cultural footprint and economy

BENEFITS

Benefit suites spanning recognition, marketing, and employee and client engagement opportunities create a strong visible connection between your philanthropy and the Society's impact throughout one full year.
