- Preschool (Ages 3-4)
- Children entering grades K to 1 in Fall '24
- Children entering grades 2 to 3 in Fall '24
- Children entering grades 4 to 5 in Fall '24

## Two Dates! July 1-3 & August 5-9

### BLAST FROM THE PAST: DINOSAURS, FOSSILS & MORE!

JULY (1-3)/\$200 | AUGUST (5-9)/\$330

Have a roaring good time at camp as we explore and delve deep into discovering dinosaurs, learning about fossils and seeing what the past can tell us. Guaranteed to not be a dino-SNORE! *\*Please note the shorter camp week (July 1-3) due to the holiday.*

*(Activities adapted appropriately for each age group)*

## Two Dates! July 8-12 & August 12-16

### SPACE IS THE PLACE! | \$330

Buffalo is THE place for space this year, coming off the April Solar Eclipse. There's a whole universe out there to discover and plenty of fun, out-of-this-world activities to do. Continue the exploration and find your place at camp.

*(Activities adapted appropriately for each age group)*

## Two Dates! July 15-19 & August 19-23

### LISTEN TO YOUR ART | \$330

Your heart is telling you to come to camp as we investigate the science of art and music from around the world. How does physics fit in with painting? Is there math in music? Do you have chemistry with creating?

*(Activities adapted appropriately for each age group)*

## Two Dates! July 22-26 & August 26-30

### WACKY, KOOKY, WEIRD SCIENCE | \$330

Time to get messy and play with science. Is it gross? Is it odd? Let's get our hands dirty with memorable grimy, gooey, and slimy science fun that you can only experience at camp! *(Activities adapted appropriately for each age group)*

## Date: July 29 - August 2

### SPORTS-TASTIC!: SCIENCE OF SPORTS AND PLAY | \$330

Dive deep into the science of sports. How fast can a hockey puck move? What velocity is a football or baseball thrown at? What body systems do you use at play? This week is a slam dunk for your active camper!

*(Activities adapted appropriately for each age group)*
