

# Spring Break

# Eclipse-a-palooza

April 1 - 7 | Activities 10 a.m. - 2 p.m. | All ages

*Museum closed April 8*

## Get ready for April 8 by celebrating all things eclipse!

Free eclipse viewing glasses available all week long while supplies last, courtesy of Erie County.

### Monday, April 1

#### Living Things

Explore the behavior of living thing, such as plants and animals during the eclipse!

### Tuesday, April 2

#### Light and Shadow

Experiment with light and shadows and learn what to expect when the Moon's 100-mile shadow travels across WNY!

### Wednesday, April 3

#### Technology and Space

Let's focus on the technology we use to observe and interact with space and astronomical events.

### Thursday, April 4

#### Art

Learn more about the earliest depictions of eclipses and then, design your own eclipse art in the form of pop-up cards and chalk drawings!

### Friday, April 5

#### History and Culture

Learn how different civilizations and cultural groups have viewed eclipses.

### Saturday, April 6

#### Music

Composers have often looked to the Sun, Moon and stars for inspiration for their musical compositions. Featuring live performances by *frac/tured* string quartet.

### Sunday, April 7

#### Eclipse Eve

Don your best space-themed outfits and join us for an eclipse eve celebration!

### MONDAY, APRIL 8 MUSEUM CLOSED

Join us on WBEN-AM 930, WGRZ Ch. 2, and WIVB Ch. 4 on Eclipse Day!
