BRICK PLANET

A magical journey made with LEGO® bricks

January 16 - May 16, 2027

Book Your Group Reservation Now to Save!

Discover how Earth's ecosystems connect, one brick at a time.

Photo courtesy of Imagine

Like a LEGO® masterpiece, our planet is built from countless interconnected ecosystems, each playing a vital role in sustaining life. Through stunning larger-than-life creations built from millions of bricks by award-winning artist Sean Kenney, *Brick Planet* reveals the intricate connections between plants, animals, and habitats.

Journey through breathtaking, immersive ecosystems that inspire curiosity, creativity, and environmental stewardship.

Book Ahead and Save!

$22 per group member

That's a $7 savings per adult guest!
Group pricing is available to groups of 10 or more when booked at least 2 weeks prior to your visit. Rate includes general admission to all of the Museum's exhibits and galleries. See website for details on school group pricing.

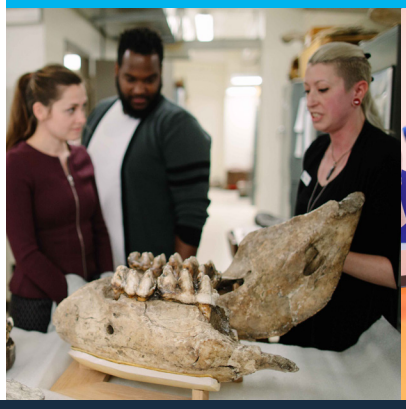

PLAN YOUR MUSEUM VISIT

Discover one of Buffalo's premier cultural attractions just 5 minutes from downtown Buffalo! Explore hands-on, interactive exhibits that inspire curiosity for all ages, including the new **Science Stadium** experience where guests can discover the interconnection of science and sports. Beyond the exhibits, the Museum is home to unique collections, offering a fascinating look at our world and its history.

Whether you're planning a tour group outing, social club excursion, or adult day trip, the Museum delivers an unforgettable experience that combines discovery, learning, and fun in a distinctly Buffalo setting.

Add-on workshops and guided behind-the-scenes tours available! Guest and bus parking is always free.

Voted *Best (Non-art) Museum* in Western New York by Buffalo Spree Magazine!
